

# YANDELORA SCHOOL

## CONNECTION DESKS

In Week 2, Yandelora School will be hosting two connection desk opportunities for our parents and families.

### NDIS Connection Desk

Meet with SSI, the local area coordination service for the NDIS. They will aim to answer questions regarding your NDIS package, such as seeking a review, local services, and applying to different supports.

### Services Australia Connection Desk

Meet with a Services Australia staff member. They will be providing information about payments and services for families, youth, students, apprentices, job seekers, people with a disability and carers.

When: Monday 16th

October 2023

9:00am - 3:30pm

Where: School Library

All parents/carers are welcome to attend, and will need to contact the front office to book their 20 minute 1:1 appointment with the NDIS Local Area Coordination Service (SSI) and/or Services Australia
