

WORLD DOWN SYNDROME DAY

MARCH 21

For World Down Syndrome Day, we would like to raise awareness in our school by joining in the campaign of #Lotsofsocks.

Please show your awareness by having your learner, if able, to wear brightly coloured socks, long socks, printed socks, 1 sock even 3 socks for 3 chromosomes. on *Monday, 22nd of March.*

"It has been spearheaded by Down Syndrome International, which has linked up with national charities across the world to develop activities and events to raise awareness and support for those living with Down syndrome. It also highlights the facts of what it's like to have Down syndrome, and how those with Down syndrome have, and continue to play, a vital role in our communities."
