

Taster Day at MDS

Macarthur Disability Services would like to invite your students, Parents and School Support Staff to our Information and Taster Day for students.

Taster Day will give the Students, Parents and School Support Staff the opportunity to meet with MDS staff and discuss the student's post school options, needs and suitable services.

Our Taster Days will be exactly that! A hands on taster of what MDS has to offer. You'll have a go at a range of activities that MDS participants do on a weekly basis at our Community Inclusion & Support Programs.

VIRTUAL REALITY

Try out our brand new Virtual Reality Technology. Used to develop skills like making a coffee, using an ATM, road safety, as well as fun games and challenges. MDS is the only local service provider offering this technology!

FURNITURE RESTORATION

Prefer bringing furniture back to life? Join us in making that thrift store chair look fresh-off-the-shelf again

GARDENING

Fancy yourself a Gardener? Have a go at planting your own produce and check out our indoor garden.

COOKING

Love food? Join us as we prepare a delicious feast.

SIGNING CHOIR

Join our percussion band or sign language choir or be centre stage in our musical theatre rehearsal.

Our Taster Day at Leumeah will be held on Thursday 1st December 2022 from 10am to 1pm.

The location will be supplied upon registration with Jessica Joseph. To ensure everyone has a chance to try out the activities we will have three sessions (10am to 11am, 11am to 12pm and 12pm to 1pm). So we can cater to your needs please RSVP to Jessica with your preferred session and any dietary requirements by 5pm Monday 28th November 2022.
